Please refer our earlier letter dated 07.10.2022,07.11.2022.

Since you have failed to complete recertification audit before expiry of certification, Your ISO certificate has expired from Dt. 07.12.2022.

Your organization was certified for ISO 9001 and the certification details as per our records are as below:

- Certificate no.: 1451 Validity: From Dt. 08.12.2016 To 07.12.2022

In case you have already applied or recertification process has initiated by AITF then AITF can restore certification within 6 months provided that the outstanding recertification activities are completed, otherwise at least a stage 2 shall be conducted. If this is not the case then your organization needs to apply for new certification.
